

LIQUORS

Frozen In Time is among the first few market leaders to pioneer the trend of catering to the ever-growing market of health-conscious consumers in the alcoholic beverage industry. At Frozen In Time, our passion is to produce premium berry wines and spirits using quality, clean ingredients, minimal processing and no added sulfites.

Apple Schnapps

The vibrant essence and zest of freshly harvested apples is captured in this special liqueur made with alcohol from our own copper triple distillery. Sip neat or enjoy it on the rocks.

Black Currant Liqueur

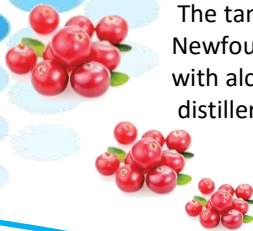

The finest summer ripe black currants are macerated in alcohol from our own copper triple distillery. Rich in flavour and color, this divine treat is perfect drizzled over cheesecake, sip neat or enjoy it on the rocks. Splash in champagne for an extra special toast.

Cranberry Liqueur

The tangy tartness of cranberries grown in the pristine Newfoundland environment shines in this liqueur made with alcohol from our own copper triple distillery. Sip neat or enjoy it on the rocks.

Cloudberry Liqueur

The cloudberry, or bakeapple, is pure, Newfoundland gold. A solitary berry, found on select peat bogs throughout the province, the bakeapple is similar in size and shape to a raspberry and has a golden apricot colour when ripe. This exquisite liqueur is a taste of heaven. Drizzle over cheesecake, sip neat or enjoy it on the rocks.
